## Council of Europe Secretary General condemns bomb attack in Ankara

Strasbourg, 23.05.2007 - I am revolted by the most recent ruthless terror attack in Turkey. Killing people while they go about their everyday lives is murder, and the people responsible for this atrocious act of violence are criminals, whatever cause they claim to pursue.

Our thoughts are with the families of the victims and I want to convey a message of solidarity to the Turkish people and the Turkish authorities.
