## Council of Europe Secretary General Terry Davis reacts to the explosion in Pristina

Strasbourg, 24.09.2007 – "The deadly blast this morning in Pristina is disturbing even if at this moment the origins of the explosion are not yet known. We all hope that this incident will not turn out to be a terrorist attack. I am confident that the authorities of Kosovo are investigating the causes of the explosion as a matter of urgency. Meanwhile, we should not rush into any conclusions."
