Council of Europe Secretary General Terry Davis reacts to the murder of journalists in Zagreb

Strasbourg , 24.10.2008 – The murder of two journalists in Zagreb is the latest in a series of murders which have allegedly been committed by organised crime. These murders are not only a threat to public security but also a threat to the freedom of the media and the freedom of expression in Croatia.

The Croatian Government has clearly stated that they will do their utmost to find these criminals, bring them to justice and eradicate organised crime in their country. In this they need and will receive our full support.
