"Landscape and driving forces"

Eighth Meeting of the Council of Europe Workshops for the implementation of the European Landscape Convention

Date: 8-9 October 2009

Location: Malmö (Sweden)

Organised by the Council of Europe, Cultural Heritage, Landscape and Spatial Planning Division – Directorate of Culture and Cultural and Natural Heritage, in cooperation with the Swedish National Heritage Board and other authorities in Sweden.

Description: Around 300 participants from several countries of the world will be present at the 8th Meeting of the Council of Europe Workshops for the implementation of the [European Landscape Convention](#). Climate change and the new energy paradigm of energy for Europe, the "globalscape", social transformations, as well as production systems and consumption patterns are the main topics to be discussed.

The Landscape Award of the Council of Europe will be also given for the first time on this occasion.

Additional information: The European Landscape Convention is the first international treaty to be exclusively concerned with all aspects of European landscape. The Convention represents an important contribution to the implementation of the Council of Europe's objectives, namely to promote democracy, human rights and the rule of law and to seek common solutions to the main problems facing European society today. By taking into account landscape, cultural and natural values, the Council of Europe seeks to preserve the life and the quality of life for all.
