"Nothing about Youth, without Youth"

Strasbourg, 10.04.2011 - A new youth movement has been created today in Baku, during the Global Youth Movement for the Alliance of Civilizations. "The Council of Europe has immediately offered its support, taking stock from our unique experience of the co-management system" declared Rene Weingartner, Council of Europe Director of Youth, who was present at the launch of the new initiative. Following the Global Forum on Intercultural Dialogue, the Youth section, which was co-organised by the Ministry of Youth and Sport of Azerbaijan, the Heydar Aliyev Foundation and the UN Alliance of Civilisations, has attracted more than 130 participants from all over the world.
